Dear Supervisors:

On April 8, 1997, the electorate of the District authorized the District pursuant to Proposition BB to issue bonds in the aggregate principal amount of \$2.4 billion. The District's outstanding Proposition BB Bonds and Proposition BB Refunding Bonds are listed in Exhibit A hereto.

On November 5, 2002, the electorate of the District authorized the District pursuant to Measure K to issue bonds in the aggregate principal amount of \$3.35 billion. Based on this authorization, the District has previously issued new money general obligation bonds pursuant to Measure K (collectively, the "Measure K Bonds"). In addition, the District has refunded a portion of the Measure K Bonds through the issuance of general obligation refunding bonds from time to time (collectively, the "Measure K Refunding Bonds"). The District's outstanding Measure K Bonds and Measure K Refunding Bonds are listed in Exhibit B hereto.

Based on this authorization, the District has previously issued new money general obligation bonds pursuant to Measure R (collectively, the "Measure R Bonds"). In addition, the District has refunded a portion of the Measure R Bonds through the issuance of general obligation refunding bonds from time to time (collectively, the "Measure R Refunding Bonds"). The District's outstanding Measure R Bonds and Measure R Refunding Bonds are listed in Exhibit C hereto.

On November 8, 2005, the electorate of the District authorized the District pursuant to Measure Y to issue bonds in the aggregate principal amount of \$3.985 billion. Based on this authorization, the District has previously issued new money general obligation bonds pursuant to Measure Y (collectively, the "Measure Y Bonds"). In addition, the District has refunded a portion of the Measure Y Bonds through

the issuance of general obligation refunding bonds from time to time (collectively, the "Measure Y Refunding Bonds" and, together with the Proposition BB Refunding Bonds, the Measure K Refunding Bonds and the Measure R Refunding Bonds, the "Prior Refunding Bonds"). The District's outstanding Measure Y Bonds and Measure Y Refunding Bonds are listed in Exhibit D hereto.

The Board of Supervisors of the County of Los Angeles (the "Board") has previously adopted resolutions to levy taxes in connection with the issuance the Proposition BB Bonds, the Measure K Bonds, the Measure Y Bonds and the Prior Refunding Bonds (collectively, the "Prior Bonds").

The Board of Education of the District has adopted its resolution, dated April 14, 2015, as amended on November 10, 2015, authorizing the issuance and sale of general obligation bonds, in one or more series, in an aggregate amount not-to-exceed \$2,500,000,000 on or before June 30, 2016 for the purpose of refunding all or a portion of the Prior Bonds and reducing debt service costs paid by taxpayers (as amended, the "Master Resolution"). An executed original of the Master Resolution is attached hereto as Exhibit E.

On March 1, 2016, the District sold \$577,400,000 of its 2016 General Obligation Refunding Bonds, Series A (the "2016 Refunding Bonds, Series A") to refund a portion of its outstanding Prior Bonds.

The District also provided the County Auditor-Controller with the debt service schedules for the unrefunded Prior Bonds.

IT IS THEREFORE RECOMMENDED THAT YOUR BOARD:

SECTION 5. Terms of Bonds.

- (a) <u>Terms of Bonds</u>; <u>Date of Bonds</u>. The Bonds shall be issued as set forth in the County Resolution. Each Bond shall be dated its date of delivery, or such other date and shall have such other terms and provisions as shall be set forth in the Bond Purchase Agreement relating to such series or subseries of Bonds.
- (b) <u>Denominations</u>. If a sale of a series of Bonds is to one or more Direct Purchaser(s), such series of Bonds shall be issued in denominations of \$100,000 principal amount or any integral multiple of \$5,000 in excess thereof (or such other denominations as shall be designated in the applicable Bond Purchase Agreement). All other series of Bonds shall be issued in denominations of \$5,000 principal amount or any integral multiple thereof.
- (c) <u>Interest</u>. The Bonds shall bear interest as set forth in the Bond Purchase Agreement relating to such Bonds, computed on the basis of a 360 day year of twelve (12) 30-day months (or computed on such other basis as shall be set forth in the Bond Purchase Agreement relating to such Bonds), payable on each Interest Payment Date in each year or on such other dates and commencing on such dates, all as shall be set forth in the Bond Purchase Agreement relating to such Bonds.
- (d) <u>Maturity</u>. The Bonds shall mature on the dates, in each of the years, in the principal amounts and in the aggregate principal amount as shall be set forth in the Bond Purchase Agreement. - (e) <u>Security for the Bonds</u>. The obligation to pay principal, premium, if any, and interest on the Bonds is a statutory obligation of the District, payable as described in the Bond Purchase Agreement. The District hereby requests the Board of Supervisors of the County to annually levy a tax upon all taxable property in the District sufficient to pay the principal and

premium, if any, and interest on the Bonds of each Measure as and when the same become due. Principal and interest, if any, due on the Bonds shall be paid from the respective Interest and Sinking Fund of the District for the related series or subseries of Bonds under each Measure as provided in Section 15146 of the Education Code. The tax levied for each Measure is levied specifically for the purpose of paying each Series of Bonds issued to finance the projects specified in such Measure and for no other purpose.

In accordance with Section 15251 of the Education Code, each Series of Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the applicable Measure. The lien shall automatically attach without further action or authorization by the District or the County. The lien shall be valid and binding from the time such Series of Bonds are executed and delivered. The revenues received pursuant to the levy and collection of the tax shall be immediately subject to the lien, and the lien shall automatically attach to the revenues and be effective, binding, and enforceable against the District, its successors, transferees, and creditors, and all others asserting rights therein, irrespective of whether those parties have notice of the lien and without the need for any physical delivery, recordation, filing, or further act.

The District hereby pledges all revenues from the property taxes collected from the levy by the Board of Supervisors and amounts on deposit in the Interest and Sinking Fund of the District for the payment of the principal or redemption price of and interest on the related Series of Bonds for each respective Measure and all previously issued and outstanding general obligation bonds and general obligation refunding bonds of the District, including those issued pursuant to authorizations approved by voters of the District on April 8, 1997, November 5, 2002, March 2, 2004, November 8, 2005 and November 4, 2008. This pledge shall be valid and binding from the date hereof for the benefit of the owners of such Series of Bonds and each issue of outstanding general obligation bonds and general obligation refunding bonds and successors thereto. The property taxes and amounts held in each Interest and Sinking Fund of the District shall be immediately subject to this pledge, and the pledge shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of the respective Series of Bonds and each issue of outstanding general obligation bonds and general obligation refunding bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act. This pledge is an agreement between the District and the owners of each Series of Bonds and each issue of outstanding general obligation bonds and general obligation refunding bonds to provide security for the related issue of general obligation bonds and general obligation refunding bonds of the District in addition to any statutory lien that may exist, and each such issue of general obligation bonds of the District are or were issued to finance one or more of the projects specified in the applicable bond Measure and not to finance the general purposes of the District.

(f) <u>Designation of Paying Agent</u>. The County Treasurer is designated to act as the initial Paying Agent. The County Treasurer is authorized to enter into a contract with a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$100,000,000 in net assets, to perform the services of the Paying Agent. If at any time the County Treasurer shall resign or be removed as the Paying Agent, the Authorized

Officers are authorized with the prior consent of the County Treasurer to appoint any successor Paying Agent. If no successor Paying Agent is appointed by an Authorized Officer in a timely manner, the County Treasurer shall appoint a successor Paying Agent without further action by any Authorized Officer. The successor Paying Agent shall be a bank or trust company doing business in and having a corporate trust office in the County, with at least \$100,000,000 in net assets.

SECTION 6. Redemption. The Bonds of each series or subseries shall be subject to redemption on the dates and terms as shall be designated in the Bond Purchase Agreement relating to such Bonds. If the Bonds of a series or subseries shall be subject to optional redemption and less than all of the Bonds of such series or subseries are called for such redemption, such Bonds shall be redeemed in inverse order of maturities of such series or as otherwise directed by the District, and if less than all of the Bonds of any given maturity of a series or subseries bearing the same interest rate are called for redemption, the portions of such Bonds to be redeemed shall be determined by lot. With respect to Bonds, if any, designated as "Term Bonds" in the related Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately or as otherwise determined by the District by the amount of any Bonds of that maturity optionally redeemed prior to the mandatory sinking fund payment date and allocated by the District to such sinking fund payment or as otherwise provided for in the Bond Purchase Agreement. The principal amount of each mandatory sinking fund payment of any maturity of a series of Bonds shall be reduced proportionately by the amount of any Bonds of that maturity and series optionally redeemed prior to the mandatory sinking fund payment date or as otherwise provided for in the Bond Purchase Agreement.

SECTION 7. Sale of the Bonds. This Board of Education deems it necessary and desirable and requests the County to authorize and provide for the sale of each series of Bonds by a negotiated sale pursuant to one or more Bond Purchase Agreements to be entered into with (i) one or more Underwriters selected as herein provided or (ii) one or more Direct Purchasers, or any combination thereof, as shall be determined by the Chief Financial Officer to be in best interest of the District considering, among other factors, the timing of each sale, expected interest cost, debt structure flexibility and the ability to work with Underwriters or Placement Agents, as applicable, familiar with the District, and consistent with the District's Debt Management Policy then in effect (the "Debt Management Policy"); provided, however, that, in each case, (1) the interest rate on any Bond shall not be in excess of 8.00% per annum, (2) the true interest cost for each applicable series of Bonds shall not be in excess of 8.00%, (3) the underwriters' or placement agents' compensation, as applicable, shall not exceed 1.00% and 1.00%, respectively, of the principal amount of the corresponding series of Bonds, and (4) if a sale of a series of Bonds is to one or more Direct Purchasers, the purchasers' discount or commitment fee shall not be in excess of 1.00% of the principal amount of the corresponding series of Bonds.

SECTION 8. Bond Purchase Agreement. The form of Bond Purchase Agreement, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Bond Purchase Agreements in the form presented to this meeting with such changes, insertions and omissions as the Authorized Officer executing the same may require or

approve, including such changes, insertions and omissions as are necessary to reflect that a sale of a series of Bonds is to one or more Direct Purchasers rather than to one or more Underwriters, such requirement or approval to be conclusively evidenced by the execution of the applicable Bond Purchase Agreement by such Authorized Officer; provided that the terms of the applicable series of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution. In connection with each negotiated sale of a series of Bonds to one or more Underwriters or one or more District Purchasers, such Underwriters of such Bonds or one or more Placement Agents for such Bonds, as applicable, shall be selected in accordance with the Debt Management Policy. In connection with each negotiated sale of Bonds, the Chief Financial Officer is hereby further authorized to designate which Underwriters shall act as senior manager(s), co-senior manager(s) and co-manager(s) in accordance with the Debt Management Policy.

SECTION 9. Placement Agent Agreement. The form of Placement Agent Agreement, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Placement Agent Agreements in the form presented to this meeting, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the applicable Placement Agent Agreement by such Authorized Officer; provided that the terms of the applicable series of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution.

SECTION 10. Costs of Issuance. In accordance with Section 15146(b)(4) of the State Education Code, the costs associated with the issuance of the Bonds, as applicable, including the estimated underwriters' and placement agents' compensation and commitment fees to be paid to Direct Purchasers, have been estimated to be \$1.875 million. The actual costs of issuance shall be presented to this Board of Education at its next scheduled public meeting following the sale of the Bonds.

SECTION 11. <u>Authorization of Preliminary Official Statement and Official Statements.</u>

- (a) Preliminary Official Statement. The form of the Preliminary Official Statement relating to the Bonds submitted to and on file with the Executive Officer of this Board of Education, with such changes as any Authorized Officer acting singly may approve, are hereby approved. The Financial Advisor (defined below), or the Underwriters, as the case may be, are hereby authorized and directed to deliver copies of such Preliminary Official Statement in final form to persons who may be interested in purchasing the Bonds. Each Authorized Officer, acting singly, is hereby authorized to certify on behalf of the District, that the Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12).
- (b) Official Statement. An Official Statement in substantially the form of the Preliminary Official Statement (the "Official Statement"), with such changes as each Authorized

Officer, acting singly, may approve (including all information previously permitted to have been omitted by Rule 15c2-12), which approval shall be conclusively evidenced by execution by such Authorized Officer of the Official Statement and delivery thereof to the original purchasers of the Bonds within 7 business days of the sale of the Bonds, is hereby approved. Any Authorized Officer is hereby authorized and directed to execute such Official Statement with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

SECTION 12. Deposit and Investment of Proceeds.

- (a) The proceeds of sale of the Bonds, exclusive of any premium and accrued interest received, shall be deposited in the County treasury and credited to the building fund of the District (the "Building Fund"). The District shall have sole responsibility that such proceeds be used for the purpose for which the Bonds are being issued. Any premium and accrued interest received shall be deposited in the Interest and Sinking Fund within the County treasury.
- (b) All funds held by the County Treasurer hereunder on behalf of the District shall be invested by the County Treasurer or its agent in the County Investment Pool, the Local Agency Investment Fund, any investment authorized pursuant to Sections 53601 and 53635 of the State Government Code, or in any Investment Agreement; provided that such agreements comply with the requirements of Section 148 of the Code, to the extent applicable to the related series or subseries of Bonds, and with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds.

Subject to a determination by the Chief Financial Officer, any Authorized Officer may request the County Treasurer to invest funds held in the Interest and Sinking Fund of the District and in the Building Fund of the District in specific Investment Agreements. Pursuant to Section 5922 of the Government Code, this Board of Education hereby finds and determines that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Bonds and funds held to pay the Bonds. Subject to a determination by the Chief Financial Officer, any Authorized Officer may request the County Treasurer to deposit any investment of all or any portion of the Building Fund or any Interest and Sinking Fund of the District pursuant to California Education Code Section 41015 in accordance with the instructions of the Authorized Officer and California Education Code Section 41016.

(c) Any excess proceeds of the Bonds on deposit in the Building Fund not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the Interest and Sinking Fund and applied to the payment of principal of, premium, if any, and interest on the Bonds; provided, however, that when all of the principal of and interest on all of the Bonds have been paid, any balance then remaining in said fund shall be transferred to the general fund of the District as permitted and provided for in Section 15234 of the Education Code.

SECTION 13. Tax Covenants.

- (a) General. The District shall not take any action, or fail to take any action, or permit any action to be taken on its behalf or cause or permit any circumstances within its control to arise or continue, if such action or inaction would adversely affect the exclusion from gross income of the interest payable on the Tax-Exempt Bonds under Section 103 of the Code. In furtherance of the foregoing, the District shall comply with the provisions of the respective tax certificates to be executed and delivered by the District in connection with the issuance of the Bonds comprising Tax-Exempt Bonds (each, a "Tax Certificate").
- (b) <u>Yield Restriction</u>. In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the County Treasurer or any other party on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the County Treasurer or such other party in writing, and the District shall make its best efforts to ensure that the County Treasurer or such other party shall take such action as may be necessary in accordance with such instructions.
- (c) Reliance on Opinion of Tax Counsel. Notwithstanding any provision of this Section, if the District shall provide to the County Treasurer an Opinion of Tax Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Bonds, the County Treasurer may conclusively rely on such opinion in complying with the requirements of this Section and of the applicable Tax Certificate and the covenants hereunder shall be deemed to be modified to that extent.

SECTION 14. Continuing Disclosure Certificate. The form of Continuing Disclosure Certificate submitted to and on file with the Executive Officer of this Board of Education is hereby approved. Any Authorized Officer is hereby authorized on behalf of the District to execute one or more Continuing Disclosure Certificates with respect to the Bonds in substantially the form on file with the Board of Education, with such changes thereto as deemed necessary in order to permit the original purchasers of the Bonds to comply with the requirements of Rule 15c2-12. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of each Continuing Disclosure Certificate.

SECTION 15. <u>Amendment to Refunding Resolution</u>. (a) Section 13(a) of the Refunding Resolution is hereby amended by the addition of the following at the end of such Section:

The District hereby pledges all revenues from the property taxes collected from the levy by the Board of Supervisors and amounts on deposit in the Interest and Sinking Fund of the District for the payment of the principal or redemption price of and interest on the related Series of Refunding Bonds, including those related to the authorizations approved by voters of the District on April 8, 1997, November 5, 2002, March 2, 2004, November 8, 2005 and November 4, 2008. This pledge shall be valid and binding from the date hereof for the benefit of the owners of such Series of Refunding Bonds and successors thereto. The property taxes and amounts held in the Interest and Sinking Fund of the

District shall be immediately subject to this pledge, and the pledge shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of such Series of Refunding Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act.

The pledge is an agreement between the District and the Owners of each Series of Refunding Bonds to provide security for the related Series of Refunding Bonds in addition to any statutory lien that may exist, and each Series of Refunding Bonds secured by the pledge are or were issued to refinance one or more of the projects specified in the Measure BB Authorization, the Measure K Authorization, the Measure R Authorization, the Measure Y Authorization and for outstanding Prior Refunding Bonds, as applicable and not to finance the general purposes of the District.

(b) Section 6 of the Refunding Resolution is hereby amended by the addition of the following language at the end of such Section:

In addition, any one of the Authorized Officers is hereby authorized from time to time to execute and deliver in the name of the District one or more tender agreements (each, a "Tender Agreement") with one or more owners of Refunded Bonds providing for the tender and purchase or exchange of Refunded Bonds as the Authorized Officers shall determine to be in the best interest of the District.

SECTION 16. Professional Services. In connection with the issuance of the Bonds, Public Resources Advisory Group is hereby appointed to serve as the Financial Advisor to the District, Hawkins Delafield & Wood LLP is hereby appointed to serve as Bond Counsel and Tax Counsel to the District, and Orrick Herrington & Sutcliffe LLP is hereby appointed to serve as Disclosure Counsel to the District, and the Chief Financial Officer is hereby authorized to enter into work orders for such services with such firms.

SECTION 17. <u>Delegation of Authority</u>. Each Authorized Officer is hereby authorized and directed to, or to authorize in writing any officer or employee of the District to, execute and deliver, for and on behalf of the District, any and all documents and instruments and to do and cause to be done any and all acts and things necessary or advisable in order to consummate the transactions contemplated by this Resolution and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution.

SECTION 18. Approval of Actions; Further Actions. The President of this Board of Education, the Executive Officer of this Board of Education and any Authorized Officer are hereby authorized and directed to execute and deliver any and all agreements, certificates and representations, including but not limited to (i) signature certificates, no litigation certificates, and certificates concerning the contents of the Preliminary Official Statement and the Official Statement, (ii) representation letters to The Depository Trust Company, (iii) each Tax Certificate, (iv) any other certificates proposed to be delivered in connection with the sale or issuance of the Bonds, (v) any Investment Agreements entered into pursuant to the authority granted hereunder,

and (vi) and any other agreements, letters, certificates or representations, which any of them deem necessary and desirable to accomplish the transactions authorized herein. All actions heretofore taken by the officers and agents of this Board with respect to the Bonds are hereby approved, confirmed and ratified. The Authorized Officers shall be and each of them is hereby authorized, empowered and directed to execute and deliver such other documents and take such other actions as they deem necessary or advisable to carry out and perform the purposes of this Resolution, the Bond Purchase Agreement, the Placement Agent Agreement and the Continuing Disclosure Certificate.

SECTION 19. Notice of Adoption of Resolution. The Chief Financial Officer is hereby authorized and directed to cause to be published as promptly as practicable following adoption of this Resolution in a newspaper of general circulation in the District, as described in Section 6000 of the Government Code, a notice setting forth the purpose for which the Bonds are authorized to be issued, as shown in Section 3 hereof.

SECTION 20. Filing with the County. Pursuant to Section 15140 of the Education Code of the State, the Executive Officer of this Board of Education is hereby authorized and directed to file a certified copy of this Resolution with the Executive Officer-Clerk of the Board of Supervisors of the County, the Auditor-Controller of the County and the Treasurer of the County.

SECTION 21. <u>Severability</u>. In the event any provision of this Resolution shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

SECTION 22. <u>Effective Date</u>. This Resolution shall take effect from and after its adoption.

NOW, THEREFORE, BE IT RESOLVED by this Board of Education of the Los Angeles Unified School District, County of Los Angeles, California, as follows:

Section 1. Recitals. All of the above recitals are true and correct and the Board of Education so finds and determines.

Section 2. <u>Determination</u>. This Board of Education hereby determines that prudent management of the fiscal affairs of the District requires that, subject to the provisions of Section 4 hereof, it authorize the District to issue one or more Series of Refunding Bonds under the provisions of the Act to refund all or a portion of one or more Series of Prior Bonds.

Section 3. Authorization and Designation of Refunding Bonds. Subject to the provisions of Section 4 hereof, the issuance from time to time (but not later than June 30, 2016) of one or more Series of Refunding Bonds, in the aggregate principal amount of not to exceed \$2,500,000,000, on the terms and conditions set forth, and subject to the limitations specified, herein, is hereby authorized and approved. Each Series of Refunding Bonds shall be dated, shall accrue interest at the rates, shall mature on the dates, and shall be as otherwise provided in the related Bond Purchase Agreement or Certificate of Award, as applicable, as the same shall be completed as provided in this Resolution.

Each Series of Refunding Bonds may be issued such that the interest on such Series of Refunding Bonds is Tax-Exempt or such that the interest on such Series of Refunding Bonds is not Tax-Exempt. The term "Tax-Exempt" means, with respect to interest on any obligations of a state or local government, that such interest is excluded from the gross income of the holders thereof for federal income tax purposes, whether or not such interest is includable as an item of tax preference or otherwise includable directly or indirectly for purposes of calculating other tax liabilities, including any alternative minimum tax or environmental tax under the Internal Revenue Code of 1986, as amended (the "Code"). The term "Taxable Bonds" means those Refunding Bonds the interest on which is not Tax-Exempt. The Board of Education hereby finds and determines that, pursuant to Section 5903 of the California Government Code, the interest payable on each Series of Refunding Bonds issued as Taxable Bonds will be subject to federal income taxation under the Code in existence on the date of issuance of such Series of Refunding Bonds.

Section 4. Sale of Bonds. Given the uncertainties that may affect the appropriate method of sale of a given Series of Refunding Bonds, this Board of Education deems it necessary and desirable to authorize, and hereby authorizes, the sale of each Series of Refunding Bonds either (a) by a negotiated sale pursuant to one or more Bond Purchase Agreements to be entered into with (i) one or more Underwriters selected as herein provided or (ii) one or more Direct Purchasers, or (b) by public sale to the responsible bidders who make the lowest true interest cost bids pursuant to one or more Official Notices of Sale, or any combination thereof, as shall be determined by the Chief Financial Officer to be in best interest of the District considering, among other factors, the timing of each sale, expected cost savings, debt structure flexibility and the ability to work with Underwriters or Placement Agents, as applicable, familiar with the District, and consistent with the District's Debt Management Policy then in effect (the "Debt Management Policy"); provided, however, that, in each case, (1) no Series of Refunding Bonds shall be authorized in a principal amount which, when combined with the principal amount of all Series of Refunding Bonds previously authorized and issued pursuant hereto, is in excess of \$2,500,000,000, (2) no Series of Refunding Bonds shall have a final maturity date later than the latest maturity date of the corresponding Refunded Bonds, (3) the interest rate on any Refunding Bond shall not be in excess of 12.00% per annum, (4) the true interest cost for each applicable Series of Refunding Bonds shall not be in excess of 5.00%, (5) the total net interest cost to maturity of each applicable Series of Refunding Bonds, plus the principal amount of such Series of Refunding Bonds, shall not be in excess of the total net interest cost to maturity of the applicable Refunded Bonds, plus the principal amount of such Refunded Bonds, (6) the net present value savings resulting from the issuance of each Series of Refunding Bonds shall comply with the Debt Management Policy, (7) the underwriters' or placement agents' compensation, as applicable, shall not exceed 1.0% of the principal amount of the corresponding Series of Refunding Bonds, and (8) if a sale of a Series of Refunding Bonds is to one or more Direct Purchasers, the purchasers' discount or commitment fee shall not be in excess of [0.50%] of the principal amount of the corresponding Series of Refunding Bonds.

Section 5. <u>Designated Costs of Issuing Refunding Bonds</u>. The refunding of all or a portion of each Series of Prior Bonds is hereby approved. Each such refunding shall be accomplished by redeeming the applicable Series of Prior Bonds on the date set forth in the

Escrow Agreement therefor and paying the redemption price therefor, plus accrued interest thereon to the date of redemption. In accordance with Section 53553 of the Act, with respect to each Series of Refunding Bonds, this Board of Education hereby designates the following costs and expenses as the "designated costs of issuing the refunding bonds:"

- (i) all expenses incident to the calling, retiring, or paying of the applicable Refunded Bonds and incident to the issuance of such Series of Refunding Bonds, including the charges of any escrow agent or trustee in connection with the issuance of such Series of Refunding Bonds or in connection with the redemption or retirement of such Refunded Bonds;
- (ii) the interest upon such Refunded Bonds from the date of sale of such Series of Refunding Bonds to the date upon which such Refunded Bonds will be paid pursuant to call; and
 - (iii) any premium necessary in the calling or retiring of such Refunded Bonds.

Section 6. Escrow Agreement. The form of the Escrow Agreements, submitted to and on file with the Executive Officer of this Board of Education, are hereby approved. The President of this Board of Education, and such other member of this Board of Education as the President may designate, the Chief Financial Officer and the Controller of the District (the "Controller"), and such other officer or employee of the District as the Chief Financial Officer or the Controller may designate (the "Authorized Officers") are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Escrow Agreements in the form presented to this meeting, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the applicable Escrow Agreement by such Authorized Officer.

Section 7. Bond Purchase Agreement. The form of Bond Purchase Agreement, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Bond Purchase Agreements in the form presented to this meeting, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, including such changes, insertions and omissions as are necessary to reflect that a sale of a Series of Refunding Bonds is to one or more Direct Purchasers rather than to one or more Underwriters, such requirement or approval to be conclusively evidenced by the execution of the applicable Bond Purchase Agreement by such Authorized Officer; provided that the terms of the applicable Series of Refunding Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution. In connection with each negotiated sale of a Series of Refunding Bonds to one or more Underwriters or Direct Purchasers, such Underwriters or one or more Placement Agents, as applicable, shall be selected in accordance with the Debt Management Policy, with Placement Agents being selected based on the same criteria as Underwriters with such changes to reflect the different role served by Placement Agents as determined by the Chief Financial Officer. In connection with each negotiated sale of Refunding Bonds, the Chief Financial Officer is hereby further authorized to designate which Underwriters shall act as senior manager(s), co-senior manager(s) and co-manager(s) in accordance with the Debt Management Policy.

Section 8. <u>Placement Agreement</u>. The form of Placement Agreement, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved, and the Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Placement Agreements in the form presented to this meeting, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the applicable Placement Agreement by such Authorized Officer; provided that the terms of the applicable Series of Refunding Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution.

Section 9. Official Notice Inviting Bids. The form of Official Notice Inviting Bids, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved, and the Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, to cause one or more Official Notices of Sale to be completed, upon consultation with the District's Financial Advisor for the applicable Series of Refunding Bonds, by inserting therein the maturity schedules for such Series of Refunding Bonds, and making such other changes, insertions and omissions as deemed necessary. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, to execute each Official Notice Inviting Bids in its final form, and any amendment or supplement thereto, for and in the name of the District, and the use of the Official Notice Inviting Bids in connection with the offering and public sale of one or more Series of Refunding Bonds is hereby authorized and approved. Bids for each Series of Refunding Bonds shall be received on behalf of this Board of Education on such date as shall be determined by an Authorized Officer, at the hour and place designated in the applicable Official Notice Inviting Bids.

The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, to entertain bids for each Series of Refunding Bonds sold by public sale, and to accept the lowest true interest cost bid and, if such true interest cost is acceptable to such Authorized Officer, to award the sale of such Series of Refunding Bonds by executing a Certificate of Award, in substantially the form submitted to and on file with the Executive Officer of this Board of Education, naming the successful bidder and determining all remaining terms of such Series of Refunding Bonds, and such execution shall constitute conclusive evidence of the approval of the Authorized Officer of the terms of such Series of Refunding Bonds and the sale thereof; provided that the terms of such Series of Refunding Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution. If no bid is acceptable, the Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, if the Chief Financial Officer determines it is in the best interest of the District, to (i) to reject all bids and to re-bid the applicable Series of Refunding Bonds, (ii) sell such Series of Refunding Bonds by negotiated

sale as permitted by law, upon terms and conditions and otherwise in conformity with the limitations contained in this Resolution, or (iii) cancel the sale of the Refunding Bonds.

- Section 10. Notice of Intention to Sell Bonds. The form of Notice of Intention to Sell Bonds, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved, and the Authorized Officers are each hereby authorized and directed to cause a Notice of Intention to Sell Bonds, in connection with each sale of a Series of Refunding Bonds by public sale, subject to such changes, insertions and omissions thereto as shall be deemed necessary, to be published in accordance with State law and the Act.
- Section 11. Form of Bonds; Execution. (a) Form of Refunding Bonds. Each Series of Refunding Bonds shall be issued in fully registered form without coupons. The Refunding Bonds, and the certificate of authentication and registration and the forms of assignment to appear on each of them, shall be in substantially the form attached hereto as Exhibit A, with necessary or appropriate variations, omissions and insertions as permitted or required by this Resolution, including such variations, omissions and insertions as are necessary to reflect that a sale of a Series of Refunding Bonds is to one or more Direct Purchasers and conform to the terms, conditions and limitations contained in this Resolution.
- (b) Execution of Refunding Bonds. The Refunding Bonds shall be signed by the manual or facsimile signature of the President of the Board of Education, and countersigned by the manual or facsimile signature of the Executive Officer of the Board of Education (or the designee of either such respective officers if the President or the Executive Officer of the Board of Education are unavailable). The Refunding Bonds shall be authenticated by a manual signature of a duly authorized signatory of the Paying Agent (as defined herein).
- (c) Valid Authentication. Only such of the Refunding Bonds as shall bear thereon a certificate of authentication and registration as described in subsection (a) of this Section, executed by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of authentication and registration shall be conclusive evidence that the Refunding Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.
- (d) *Identifying Number*. The Paying Agent shall assign each Refunding Bond authenticated and registered by it a distinctive letter, or number, or letter and number, and shall maintain a record thereof at its principal office, which record shall be available to the District and the County for inspection.
- Section 12. <u>Terms of Bonds</u>. (a) *Date of Refunding Bonds*. Each Series of Refunding Bonds shall be dated the date of their delivery, or such other date as shall be set forth in the related Bond Purchase Agreement or Certificate of Award, as applicable.
- (b) Denominations. Each Series of Bonds shall be issued in denominations of \$5,000 principal amount and integral multiple thereof (or such other denominations as shall be designated in the related Bond Purchase Agreement or Certificate of Award, as applicable); provided, however, that if a sale of a Series of Refunding Bonds is to one or more Direct

Purchasers, such Series of Refunding Bonds shall be issued in denominations of \$100,000 principal amount or any integral multiple of \$5,000 in excess thereof.

- (c) Maturity. Each Series of Refunding Bonds shall mature on the date or dates, in each of the years, in the principal amounts and in the aggregate principal amount as shall be set forth in the related Bond Purchase Agreement or Certificate of Award, as applicable. No Refunding Bond shall mature later than the latest maturity date of the corresponding Refunded Bonds.
- Interest. Each Series of Refunding Bonds shall bear interest at an interest rate or (d) rates not to exceed 12.00% per annum, payable on January 1 and July 1 of each year, commencing on the date set forth in the related Bond Purchase Agreement or Certificate of Award, as applicable, or such other dates as may be set forth in the related Bond Purchase Agreement or Certificate of Award, as applicable (each, an "Interest Payment Date"), computed on the basis of a 360-day year of twelve 30-day months. Each Refunding Bond shall bear interest from the Interest Payment Date next preceding the date of authentication thereof, unless it is authenticated as of a date during the period from the 15th day of the calendar month immediately preceding such Interest Payment Date, whether or not such day is a business day, or such other date or dates as may be set forth in the related Bond Purchase Agreement or Certificate of Award, as applicable (each, a "Record Date") to such Interest Payment Date, inclusive, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before the Record Date preceding the first Interest Payment Date for such Series of Refunding Bonds, in which event it shall bear interest from its dated date; provided, however, that if, at the time of authentication of any Refunding Bond, interest is in default on any outstanding Refunding Bonds of such Series, such Refunding Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on the outstanding Refunding Bonds of such Series.
- Section 13. Payment of Bonds. (a) Request for Tax Levy. The money for the payment of principal of and redemption premium, if any, and interest on each Series of Refunding Bonds shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the interest and sinking fund of the District. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal of and interest coming due on each Series of Refunding Bonds in such year, and to pay from such taxes all amounts due on such Refunding Bonds. The Board of Supervisors, the County Auditor-Controller, the County Treasurer and other officials of the County are hereby requested to take and authorize such actions as may be necessary pursuant to law to provide for the levy and collection of a property tax on all taxable property of the District sufficient to provide for payment of all principal of and interest on each Series of Refunding Bonds as the same shall become due and payable, and to apply moneys in the District's interest and sinking fund as necessary to the payment of such Series of Refunding Bonds, as provided herein, and to provide for the payment of any portion of any Series of Prior Bonds which are to remain outstanding pursuant to the authorizing resolution or paying agent agreement, as applicable, under which such bonds were issued. The Authorized Officers are, and each of them

is, hereby authorized, and any one of the Authorized Officers is hereby directed, (i) to transmit a certified copy of this Resolution and the debt service schedule for each Series of Refunding Bonds to the Board of Supervisors, the County Auditor-Controller and the County Treasurer in sufficient time to permit the County to establish tax rates and necessary funds or accounts for each Series of Refunding Bonds, and (ii) to formally request that the Board of Supervisors adopt a resolution to levy the appropriate taxes as herein provided.

- (b) Principal. The principal of each Series of Refunding Bonds shall be payable in lawful money of the United States of America to the person whose name appears on the books for the registration and transfer of the Refunding Bonds maintained by the Paying Agent in accordance with Section 15(d) hereof (the "Registration Books") as the registered Owner thereof (the "Owner"), upon the surrender thereof at the principal corporate trust office of the Paying Agent.
- (c) Interest; Record Date. The interest on each Series of Refunding Bonds shall be payable on each Interest Payment Date in lawful money of the United States of America to the Owner thereof as of the Record Date preceding such Interest Payment Date, such interest to be paid by check or draft mailed on such Interest Payment Date (if a business day, or on the next business day if the Interest Payment Date does not fall on a business day) to such Owner at such Owner's address as it appears on the Registration Books or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made by wire transfer of immediately available funds to any Owner of at least \$1,000,000 of outstanding Refunding Bonds of a Series who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Payment Date.
- (d) Interest and Sinking Fund. The principal of and interest due on each Series of Refunding Bonds shall be paid from the interest and sinking fund of the District as provided in Section 15146 of the California Education Code.
- (e) Obligation of the District. No part of any fund or account of the County is pledged or obligated to the payment of the Refunding Bonds. The obligation for repayment of the Refunding Bonds is the sole obligation of the District.
- Series of Refunding Bonds may be secured by a municipal bond insurance policy as shall be described in the related Bond Purchase Agreement or Certificate of Award, as applicable. The related Bond Purchase Agreement or Certificate of Award, as applicable, may provide that no municipal bond insurance policy shall be obtained. The Authorized Officers are each hereby authorized and directed to apply for, or cause to be applied for, municipal bond insurance for each Series of Refunding Bonds and to obtain such insurance if doing so puts such Series of Refunding Bonds (or portion thereof) and the marketing thereof on an economically advantageous basis, and is deemed to be in the best interests of the District. The Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver a contract or contracts for such insurance if such contract is deemed by the Authorized Officer executing the same to be in the best interests of the District,

such determination to be conclusively evidenced by such Authorized Officer's execution and delivery of such contract.

- Section 14. Redemption Provisions. (a) Optional Redemption. Each Series of Refunding Bonds may be subject to redemption at the option of the District on the dates and terms as shall be designated in the related Bond Purchase Agreement or Certificate of Award, as applicable. The related Bond Purchase Agreement or Certificate of Award, as applicable, may provide that the related Series of Refunding Bonds shall not be subject to optional redemption.
- (b) Selection of Refunding Bonds upon Redemption. If less than all of a Series of Refunding Bonds, if any, are subject to such redemption and are called for redemption, such Refunding Bonds shall be redeemed as directed by the District (or as otherwise set forth in the related Bond Purchase Agreement or Certificate of Award, as applicable).
- Mandatory Sinking Fund Redemption. The Refunding Bonds, if any, which are (c) designated in a Bond Purchase Agreement or Certificate of Award, as applicable, as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot or as otherwise directed by the District (or as otherwise set forth in the related Bond Purchase Agreement or Certificate of Award, as applicable), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in such Bond Purchase Agreement or Certificate of Award. Unless otherwise provided in the related Bond Purchase Agreement or Certificate of Award, as applicable, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately or as otherwise directed by the District by the amount of any Refunding Bonds of that maturity redeemed in accordance with subsection (a) of this Section prior to the mandatory sinking fund payment date. The related Bond Purchase Agreement or Certificate of Award, as applicable, may provide that the Refunding Bonds of a Series shall not be subject to mandatory sinking fund redemption. The County Auditor-Controller is hereby authorized to create such sinking funds or accounts for the term Refunding Bonds as shall be necessary to accomplish the purposes of this Section.
- (d) Notice of Redemption. Notice of any redemption of the Refunding Bonds of a Series shall be mailed by the Paying Agent, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the applicable Continuing Disclosure Certificate.

Each notice of redemption shall state (i) the date of such notice; (ii) the name of the Series of Refunding Bonds and the date of issue of such Series of Refunding Bonds; (iii) the redemption date; (iv) the redemption price; (v) the dates of maturity or maturities of Refunding Bonds to be redeemed; (vi) if less than all of the Refunding Bonds of any maturity of a Series are to be redeemed, the distinctive numbers of the Refunding Bonds of each maturity of such Series to be redeemed; (vii) in the case of Refunding Bonds of a Series redeemed in part only, the respective portions of the principal amount of the Refunding Bonds of each maturity of such Series to be redeemed; (viii) the CUSIP number, if any, of each maturity of Refunding Bonds to be redeemed; (ix) a statement that such Refunding Bonds must be surrendered by the Owners at

the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; (x) notice that further interest on such Refunding Bonds will not accrue after the designated redemption date; and (xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(e) Effect of Notice. A certificate of the Paying Agent that the notice of redemption that has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Refunding Bonds called for redemption or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Refunding Bonds called for redemption is set aside for the purpose as described in subsection (g) of this Section, the Refunding Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Refunding Bonds at the place specified in the notice of redemption, such Refunding Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Refunding Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the interest and sinking fund or the trust fund established for such purpose. All Refunding Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

- (f) Right to Rescind Notice. The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Refunding Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the interest and sinking fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of and premium, if any, and interest due on the Refunding Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Refunding Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.
- Bonds there shall be available in the interest and sinking fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this Resolution provided, the Refunding Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of and premium, if any, and interest due on the Refunding Bonds to be redeemed upon presentation and surrender of such Refunding Bonds, provided that all monies in the interest and sinking fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the interest and sinking fund of the District, unless otherwise provided to be paid from such monies held in trust. Revised 4/2/15

If, after all of the Refunding Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the interest and sinking fund of the District or otherwise held in trust for the payment of redemption price of the Refunding Bonds, the monies shall be held in or returned or transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(h) Defeasance of Refunding Bonds. If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Refunding Bonds of a Series all or any part of the principal of and premium, if any, and interest on such Refunding Bonds at the times and in the manner provided herein and in such Refunding Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners of such Refunding Bonds shall cease to be entitled to the obligation of the District as provided in Section 13 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under such Refunding Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal of and premium, if any, and interest on such Refunding Bonds, but only out of monies on deposit in the interest and sinking fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (i) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Refunding Bonds of a Series by depositing in trust with the Paying Agent or an escrow agent, selected by the District, at or before maturity, money and/or Defeasance Securities, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the interest and sinking fund of the District, be fully sufficient to pay and discharge the indebtedness on such Refunding Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

The term "Defeasance Securities" means (a) non-callable direct and general obligations of the United States of America (including state and local government series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including (in the case of direct and general obligations of the United States of America) evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations; provided that investments in such proportionate interests must be limited to circumstances wherein (i) a bank or trust company acts as custodian and holds the underlying United States obligations; (ii) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (iii) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; (b) non-callable obligations of government sponsored agencies that are rated in one

of the two highest rating categories assigned by S&P (defined herein) or Moody's (defined herein) but are not guaranteed by a pledge of the full faith and credit of the United States of America; and (c) Advance Refunded Municipal Securities.

The term "Advance Refunded Municipal Securities" means any bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local government unit of any such state (a) which are not callable prior to maturity or as to which irrevocable instructions have been given to the trustee, fiscal agent or other fiduciary for such bonds or other obligations by the obligor to give due notice of redemption and to call such bonds or other obligations for redemption on the date or dates specified in such instructions, (b) which are secured as to principal, premium, if any, and interest by a fund consisting only of cash, direct U.S. or U.S. guaranteed obligations, or any combination thereof, which fund may be applied only to the payment of such principal, premium, if any, and interest on such bonds or other obligations on the maturity date or dates thereof or the redemption date or dates specified in the irrevocable instructions referred to in clause (a) above, as appropriate, and (c) as to which the principal of and premium, if any, and interest on the bonds and obligations of the character described in clause (a) above which have been deposited in such fund, along with any cash on deposit in such fund, have been verified by an independent certified public accountant as being sufficient to pay principal of and premium, if any, and interest on such bonds or other obligations on the maturity date or dates thereof or on the redemption date or dates specified in the irrevocable instructions referred to in clause (a) above, as applicable.
